Stock Gift Information

For some donors, tax-deductible gifts of stock are a great way to steward resources maximally for kingdom purposes. Thank you for considering the mission and ministries of Emergency Chaplains as part of your planning for charitable giving! Below are instructions that will ensure your gift gets to the right place.

1. Notify Emergency Chaplains of Your Gift.

Because of how stock donations work, it's helpful for us to be aware of a donation. Letting us know in advance helps ensure we match the gift with the correct donor and allows us to learn how you'd like the funds allocated.
